

Adrian Fire Chief, Tony Parsley received a \$1,500 check from Marilyn Anderson, Senior Financial Service officer for AgStar as part of their Emergency Response Equipment Grant Program.

Adrian Fire Department Receives AgStar Grant

The Adrian volunteer fire department received a check for \$1,500 from the AgStar Fund For Rural American. AgStar received hundreds of applications and awarded grants to twenty-one rural departments in their service

area. AgStar Fund Administrator Jody Bloemke writes "After reviewing the numerous applications, we became aware of the essential need which exists for rural emergency response departments. They are struggling on shoe-

string budgets."

Adrian Fire Chief, Tony Parsley, applied for this grant this summer. The grant money will be used to purchase 2 new nozzles for the Adrian Fire trucks.
