

*It can be intimidating.*  
Let AgStar streamline your payroll.

**Save time, improve efficiency.** With everything you have to do in a week, attending to the recurring details of payroll management can seem like a burden. Fortunately, AgStar can help. AgStar offers payroll services that are easy to use, confidential and secure. AgStar's payroll services are designed to save you time, and increase your profits and efficiency.

**Use professionals without hiring more staff.** You don't have to be a payroll expert or hire additional staff. With quick set-up for all levels of users, you can trust that all aspects of your payroll will be handled by experienced professionals. AgStar partners with ADP, one of the world's leading payroll companies with dedicated resources in agricultural payroll.

**Relax.** In addition to reducing the time you spend on payroll, with AgStar you also get peace of mind. Our services allow you to *avoid penalties, reduce your risk on payroll taxes*, and seamlessly export your records to Quick Books and Excel.

Here's a short list of **AgStar's Payroll Services:**

- Tax filing
- Check printing
- Check signing
- Client/employee on-line viewing of payroll information
- Payroll reports
- Bilingual options
- Direct deposit
